3. If part of a group of 15 or more guests cancels the contract, no cancellation fee shall be charged for the number of guests equal to 10% of the number of guests as of 10 days before the stay (or, where the application was accepted after that day, as of the day on which the Hotel accepted it), rounded up if a fraction results.

5. If the schedule of an accommodation contract is changed after the date on which the cancellation fee becomes applicable has been reached, and that accommodation contract is subsequently cancelled, the Hotel shall charge a cancellation fee equal to the full accommodation charge, regardless of the date on which the cancellation fee becomes applicable under the changed schedule.
